## **a virtual studio**

### **how to get referred...**

#### **We are now open for new referrals in a virtual studio**

Designs in Mind is a working studio based in Shropshire that has been working with adults referred through mental health services for over 25 years.

If you are interested in working creatively & being part of a supportive community talk to your GP or Mental Health Worker and ask them to email [stuart@designsinmind.co.uk](mailto:stuart@designsinmind.co.uk) for a referral form

Once we have received your referral form we will be in touch with you about joining the virtual studio
